Independent Competent Person's Report
Organization Name: Girls and Boys Town South Africa

The writer hereby confirms that she has perused the records submitted and received from **Girls and Boys Town South Africa** which documents confirms that as at 31st January 2024 **Girls and Boys Town South Africa's** socio-economic development initiative provided by them to beneficiaries was provided at a ratio 16.2% white beneficiaries plus 83.8% to black beneficiaries. The black beneficiaries meeting the definition of "black" as per the BBBEE Codes of Good Practice, as referred to below:

"Black people" refers to Africans, Coloureds, Indian or Chinese persons who are South African citizens by either:

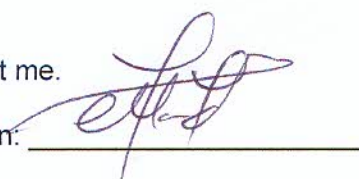

- Birth or by descent; or
- Who were naturalised prior to the commencement of the interim constitution in 1993, or
- Were naturalized after the commencement date of the constitution of the Republic of South Africa Act of 1993, but who, without the Apartheid policy would have qualified for naturalization before then.

As is clear from what is stated above 83.8% of black beneficiaries benefited from the initiatives of Girls and Boys Town South Africa for the period stated above.

I further confirm that I am independent and have no association with the beneficiary organization.
