Healing Heartbroken Children

GENEROSITY DONATION

It is wonderful to give and receive gifts for Birthdays, Weddings, Christmas and other significant life celebrations. There does come a time though, where we feel that we have benefited sufficiently and where we begin to think of generously benefiting others less privileged in our stead.

The Girls and Boys Town 'Generosity Donation model' offers the well-wishers ('gifters') an alternative - to donate money to the 'celebrators' favourite Girls and Boys Town South Africa charity - thus becoming a 'Generosity Donor'.

Here is how 'gifters' can support Girls and Boys Town South Africa in partnership with yourselves:

"Dear (friend/family member)

My birthday is soon approaching! In consideration of vulnerable and less privileged children, my request is that you please, in celebration of my birthday and on my behalf, donate the value of my gift, no matter how big or small, to Girls and Boys Town South Africa—a very deserving and worthy cause that helps heal heartbroken children and empowers them to shine.

Please log onto the Girls and Boys Town South Africa web page and see what incredible work they do to help vulnerable, abused, and neglected children and youth shine. It would please me enormously if you would agree to be my 'Generosity Donor' (donating on my behalf)—together we will really be making a difference in the lives of Girls and Boys Town South Africa's children and youth.

Girls and Boys Town South Africa have made this easy. Simply go to <https://girlsandboystown.org.za/donate/> and make your 'Generosity Donation' on my behalf. Alternatively, you can support them by using their convenient SnapScan application (details on their website) or you can sign up using their debit/credit card alternative (debit order/credit card form available on the website).

Thank you; you will have made my day an especially joyful one."

(Donations go directly to the Girls & Boys Town South Africa account, and all donations will be acknowledged.)
